Mentor Michigan Corporate Honor Roll

About Mentor Michigan

Mentor Michigan is dedicated to awakening and nurturing the amazing potential in youth by fostering ongoing, stable relationships with caring adults. We work with mentoring programs throughout Michigan to:

- Recruit mentors.
- Advocate for mentoring issues and standards.
- Provide resources and training.
- Develop partners and champions.
- Honor the accomplishments of mentors and the organizations that support them.

Mentor Michigan defines mentoring as an ongoing, structured relationship with a trusted individual aimed at developing the competence and potential of the mentee. This relationship includes:

Community-based mentoring programs that provide for consistent contact between mentors and mentees for a minimum of one calendar year. Meetings must occur several times each month for a minimum of four (4) hours per month.

School-based mentoring programs that provide for weekly contact between mentors and mentees that lasts for a minimum of one academic year.

Group mentoring where there is a ratio of mentees to mentors of no more than 4:1. It includes a consistent relationship between the one mentor and the same four mentees.

About the Corporate Honor Roll

The Corporate Honor Roll formally recognizes companies that have taken on the mentoring challenge and are leading by example. Each company receives a proclamation from Governor Jennifer M. Granholm, as well as a plaque to be displayed at its location. The honorees will also be recognized at a public event with First Gentleman Daniel G. Mulhern, in a press release, and on the Mentor Michigan website.

To be eligible for the Corporate Honor Roll, a company must have the following:

- Employees who are matched with mentees.
- A written policy or company guidelines around volunteerism that allows for youth mentoring.
- A designated contact person for their mentoring initiative.

Nomination Process:

- Nomination forms must be completed by the company being nominated.
- Nominations are accepted on an ongoing basis. Forms can also be found on our website at www.mentormichigan.org.
- Receipt of nomination forms will be confirmed via phone or email, as appropriate.

Companies will be notified of their Honor Roll status within 30 days.
